We Are Changing Communication Apps!
¡Estamos cambiando las aplicaciones de comunicación!

~~Remind~~

 TalkingPoints

Talking Points works the same way as Remind and FCPS pays for it.

Talking Points funciona de la misma manera que Remind y FCPS lo paga.

If you have multiple students, we highly recommend that you download the Talking Points App so you will not get multiple messages from the school.

Si tiene varios estudiantes, le recomendamos que descargue la aplicación Talking Points para que no reciba varios mensajes de la escuela.
